

Call to Worship – Your Face Shines

Leader: O Lord, when we die, when we question, when we stumble, when we seek
refuge, when we are rejected, when we are put to shame,

People: your face shines upon us.

Leader: O Lord, when we receive mercy, when we are satisfied, when we are redeemed,
when we are chosen, when we are rescued,

People: your face shines upon us.

Leader: O Lord, when you show us the way, when you are a rock of refuge, when you
stand at the right hand of God, when you deliver us,

People: your face shines upon us.

*All: O Lord, indeed you are our rock and fortress,
indeed we have tasted that the Lord is good.*
