

Affirming Faith – We Witness

Leader: God shows no partiality.

Left: We have heard the good news of Jesus Christ.

Right: We have been taught the biblical stories of Jesus.

*All: We witness God's goodness and grace,
lived out through God's people.*

Leader: God's Spirit is poured out on all who believe
and are baptized in the name of Jesus Christ.

Left: We testify that in Jesus' name our sins are forgiven.

Right: We commit again to the promises of our baptism.

*All: We give witness to God's faithfulness
and will live in that promise. Thanks be to God!*
