

Call to Worship – Wait for the Lord

Leader: Wait patiently for the Lord,
for God hears our cries.

**People: God draws us from the pit,
and sets our feet upon a rock.**

Leader: God places a new song in our heart.

**People: Many will hear and see
and place their trust in God.**

Leader: Happy are those who put their trust in the Lord,

People: God's wonderful deeds are more than can be counted.
