

Confession – Pay Attention

Leader: God, we are suspicious of your surprises.

**People: If you gather all people in your name,
we'll have to worship with people we love to hate.**

Leader: You say, "Keep watch," but we are distracted.

**People: We have been sleepless, though not alert;
awake, but not watching.**

Leader: Stir up your Spirit among us.

People: Wipe the sleep from our eyes.
