

Offering Prayer – Gifts Offered for All

We thank you, God,

for our community of churches

in Ethiopia and Vietnam and Germany and Brazil

and around the world—

the broader body of Christ that nourishes us and encourages us.

We thank you for the gifts shared and the gifts received

among your people across the continents.

We offer these gifts to you today

and ask you to bless and use them

for “proclaiming the good news of the kingdom

and curing every disease and every sickness among the people.” Amen.
