

Sending – Our Great God

Leader: As we go, we hear God say,

All: “Be strong, do not fear! I will come to save you.”

Leader: Then our eyes and ears will be opened.

All: We will leap like deer and shout for joy.

Leader: Waters will gush forth in the wilderness.
Streams will flow in the desert.

*All: Burning sands will become cool pools,
and our great God, our great and wonderful God,
will turn thirsty ground into bubbling springs.*
