

# Offering – Honor God

As servants of God, we are in charge of God's household.  
Let us use with care the rooms God has given us.  
Let us use with care the time God has lent us.  
Let us use with care the produce God has gathered for us.  
Let us use with care the deeds God has listed for us.  
Let the records we manage and the bills we pay,  
let all our giving and receiving speak our faith  
and honor our Lord God Almighty.
