

Witnessing – The Lord Is King

Leader: Who is like the Lord?

**People: The Lord is ancient,
his clothing and hair are white as snow.**

Leader: Who is like the Lord?

**People: The Lord is strong, he is robed in majesty,
even more majestic than the waves of the sea.**

Leader: Who is like the Lord?

**People: The Lord is almighty;
all shall see him coming with the clouds.**

Leader: Who is like the Lord?

**People: The Lord is king; for this he came into the world,
to testify to the truth.**
