

# Call to Worship – Ask, Search, Knock

Leader: We gather this day  
in the midst of lives filled with activity,  
but lacking in many important aspects.

**People: We come desiring hope.**

Leader: Ask, and it will be given you.

**People: We come seeking truth.**

Leader: Search, and you will find.

**People: We come in need of meaning.**

Leader: Knock, and the door will be opened for you.

**People: We ask.**

**We search.**

**We knock.**

**We worship.**
