

Adoration – Immortal God

O God, we are thankful for the strength you give us,
and that your grace overflows.

We ask for your abundant mercy

to continue to shower us

so that we can draw toward you;

you are the one who shelters us with steadfast love.

You are the one who searches without ceasing;

you and the heavens rejoice when the lost are found.

You are the immortal God, the one to whom all of the ages belong.

In your holy name. Amen.
