

Call to Worship – Here and Now

Come, now is the time to worship.
Come, this is the time to give our hearts.
Come, let us offer new songs of praise
to the One who has done marvelous things.

Holy God, you are not confined to the past;
you are not limited to distant places of space or time.
Your steadfast love is fresh each day;
your faithfulness has no expiration date.
Here and now, we offer you our worship.
May our lips and our lives proclaim your praises. Amen.
