

Confessing – Be Still

Leader: We find it so hard to be still, O God.

People: **We are distracted with things to do,
bills to pay, people to please, games to play.**

All: *How can we be still? Our world is falling apart.*
(silence)

Leader: Carry us, O Holy Spirit,
to the river whose streams make glad the city of God.
God is in the midst of that city.
It shall not be moved.
