

Affirming Faith – God is at Work in Us

In you, Lord Jesus Christ, we have encouragement and comfort.
We share in the spirit of compassion and sympathy,
instead of our selfish conceit.

In Christ, we have God's mind, God's love, and God's unity.
This is the same mind as Jesus had,
who laid aside glory to serve,
and is exalted on high forever.

God is at work in us! God is enabling us
to will what God wills, and to do what God wants.
