

# Benediction – Go and Sow

Leader: You can't fool God. Whatever you plant, you'll harvest.  
So . . . sow!

**People:** Let us not grow weary in doing right.

Leader: Sow then.

**People:** Let us take every opportunity to work  
for the good of all.

Leader: Sow then.

*All: Let us throw our all into the wind of the Spirit of God,  
scattering seeds of life to the ends of the earth.*
