

# Confessing/Reconciling – You are Our Dwelling Place

Leader: God of light,  
you have called us children of light and day,

**People: yet we find ourselves stumbling  
as though it were night.**

Leader: We have claimed that you are our dwelling place,

**People: yet we fail to settle in deeply.**

Leader: You have entrusted us with talents,

**People: yet sometimes we bury them.**

*(pause for silence)*

Leader: God, who has called you,  
has not destined you for wrath,  
but to receive salvation  
through your Lord Jesus Christ.
