

# Sending – Go With Assurance

Jesus said, “Where two or three are gathered in my name,  
I am there among them.”

So, we go with the assurance that Jesus has been among us  
and will go with us into the world.

Do not be afraid but boldly live  
as if the new day of the Kingdom has already come.

Love each other. Love your neighbor and above all  
love God who has created you and redeemed you. Amen.
