

Call to Worship – Join with All God’s Creation

Leader: The glorious rays of the sun offer warmth to all.

*All: They are a sign of God’s presence among us.
The sun provides waves of welcome for a new day.*

Leader: The dancing breeze rustles through trees
and flowerbeds in our neighborhoods.

*All: It is a sign of God’s presence among us.
The wind provides waves of welcome for a new day.*

Leader: The rolling tides reflect the power and energy
throughout the region.

*All: They are a sign of God’s presence among us.
The water provides waves of welcome for a new day.*

Leader: We join with all God’s creation in worship.

*All: As God welcomes us with a caring Spirit,
may we welcome one another
as we gather for worship this day.*
