

Call to Worship – Worship God Together

Leader: Why have you come here today?

People: **To raise our voices in joyful praise,
our hearts in deepest gratitude,
our spirits in loving trust.**

Leader: Why?

People: **Because we are convinced of the life God has given.
We rejoice in the reconciliation we have experienced,
we trust in the love and care the Lord has promised,
we remember all that God has done among us.**

All: So let us worship God together.

Let us praise the Lord, our Maker.

Let us offer up prayers of hope and thanksgiving.

Let us tell and hear again the story of God.

Hallelujah!
