

Praying – Renew Our Spirits

In you, O Lord, we place our trust. We trust in you to renew our spirits so that we can do your work here on earth. We live by faith so that one day we can see you. Your grace offers redemption and life, and gives us hope for the eternal. Just as you raised Jesus from the dead, you will raise us too, and one day we will be in your presence. May your steadfast love and redemptive power be with us now and forever. Amen.
