

Praying – We are Your Body

Gracious God, we are your body, even though at times we are broken and divided. We have been called and gifted to preach and teach and share the good news, so that your body—your church—will be equipped for ministry in our world. Draw us together by your Spirit; unite us in faith and hope so that we will grow into maturity. Bind us to each other and to Christ, who is the head, through the one Spirit. Amen.
