

Call to Worship – Trees Planted by Water

Leader: People of God, we are gathered today
because we have chosen life over death.

**People: Like trees planted by streams of water,
we seek to be nourished by God's laws.**

Leader: We have come here to deepen our love for God,
observing all that Jesus has taught and modeled for us.

**People: Like trees planted by streams of water,
we want to bear the fruit
of compassion and justice.**

Leader: In joy let us worship, listen, learn, and follow.
