

Confession and Reconciliation – Fresh and Clean

Leader: Generous in love—God, give grace!
Huge in mercy—wipe out our bad record.

**People: We know how bad we've been;
our sins are staring us down.**

Leader: You have all the facts before you;
whatever you decide about us is fair.

**People: We've been out of step with you for a long time.
Soak us in your laundry
and we'll come out clean.**

*All: God, make a fresh start in us;
shape a Genesis week from the chaos of our life. Amen.*
