

# Communion Prayer – Broken and Poured Out

Bread broken for us,

we thank you for nourishing us,  
feeding us with your very life.

Wine poured out for us,

we praise you for loving us,  
filling us with your healing grace.

In giving yourself so generously,

you show us how to live and die;  
you show us how to make peace.

May the gifts we receive

strengthen us to love and serve you forever. Amen.
