

Confession and Assurance – We Prefer Quick Fixes

Confession

(Read in unison)

Our fast-paced lives demand rapid response—
We make deals when the price is right,
fix problems quickly to avoid further damage.
Figure things out.
Bring closure.
Evaluate.
Many situations defy our quick fixes... and yet we try.
We wonder: Why does it take so long, Lord?
Lord, you have waited for us for generations.
Help us to wait for you.

Assurance

(Read by leader)

I will give you patience;
help you make space for my goodness to grow.
I will give you shelter if you wait on me.
