

Call to Worship – Praising With All Nature

Leader: Through the generations,
God's people have assembled when God calls.
Even now, God calls—so come!

**People: We come, made in God's own image,
to worship our Creator.**

Leader: The God who never tires of doing what is right,
who numbers the very hairs on your head—
this God invites you to join your voices in praise.

People: We come, rejoicing with all nature in praising the Lord.
