

Call to Worship –Worthy of Honor and Praise

Leader: With thousands of Mennonites around the world,
with millions of Christians from every nation,
with uncounted numbers of those who followed Jesus throughout history,
we gather today,
on the first day of the week, the day of resurrection,
to worship.

People: **We gather to give honor and glory and blessing
to the Lamb who died for us,
and to the One who is our Creator
and Sovereign Lord.
They are worthy of our honor;
they are deserving of our praise.
We will glorify them
with our lives and in our worship.**

*All: Let us sing praises to the Lord
and give thanks to God's holy name.
Let us worship God together.*
