

# Prayer of Confession – Many Times We Did Not See You

Creating God,

we come with thankfulness for the many places  
you have walked with us this week:

In the grocery store and on the soccer field,  
at the computer and at the table with family and friends.

We confess there are many times we did not see you:

We ignored your efforts to turn our eyes heavenward;

We justified time spent on useless activities;

We worked at breakneck speed and missed opportunities  
to see and interact with the person next to us.

Lord, we confess that sometimes we would rather not see you  
and ask for your unfailing love to forgive us

and set us again on the path to seeing each other and the world through your eyes.

In the name of Jesus we pray. Amen.
