

# Affirming Faith – Let All the Peoples Praise You

Leader: Holy God, we come before you,  
grateful for your constant mercy.

**People: Let all the peoples praise you.**

Leader: We know our attempts at unity  
depend on your making a home with us  
and thank you for this promise.

**People: Let all the peoples praise you.**

Leader: Strengthen us to become the people you intend us to be,  
both individually and all together.

**People: Let the peoples be glad and sing for joy.**
