

Praising – Right and Whole Living

Leader: God is about to speak!

People: We are eager because his salvation is at hand.

Leader: Love and truth will meet in the street,

People: Right Living and Whole Living will embrace and kiss!

Leader: Truth will sprout green from the ground,

People: Right Living will pour down from the skies!

Leader: Oh yes! God gives goodness and beauty;

People: and our land will respond with bounty and blessing.

Leader: Right Living will stride out before him,

People: and clear a path for his steps!
