

Proclaiming – God is Not Silent

Listen!

After wind, earthquake, and fire,

God spoke to Elijah in the sheer silence.

And the Psalmist proclaims that the Lord will speak peace to his people.

Moses urged that the word of God is close,

in our mouths and hearts.

And Jesus spoke to Peter saying,

“Do not be afraid, come walk on water.”

Our God is not silent!

The Lord is here and will speak to us today.
