

# Call to Worship – Celebrate God’s Love and Justice

**Leader:** God of justice and mercy, who has shown us the way of humility, we have gathered on this day to receive your Word. Let it guide us in putting into practice one of your qualities and desires: justice. Our hearts suffer as we observe the unjust world in which we live and want to bear testimony to all those who doubt you.

**People:** **We direct our praise and prayers to you with gratitude and love, for all eternity. Amen.**
