

# Call to Worship – Day of Suffering

On this most solemn of days we gather for worship.

Jesus, lead us from the darkness of the garden,  
to the bare courtyard and its soldiers.

Draw us from Pilate's palace and its crowds,  
through the streets of Jerusalem.

Shepherd us to a lonely hillside  
where the lamb of God waits for us.

We would follow you, Jesus, on this,  
your day of suffering.
