

Song – May Your Spirit Give Life (Lyrics)

One church always learning to live out our call
One Lord with eternal love who welcomes one and all
Though many members we're one body with one faith
We pray you accept our deepest praise

May your Spirit reveal, may our witness magnify
May your Spirit renew, so your church may be inspired
May your Spirit give life

We wait with expectant hearts to hear your voice
We offer our open minds and wait to be transformed
Each new discovery puts your brilliance on display
We pray for your peace while you create

By grace we discover who we truly are
A letter conceived in love and written on our hearts
Declaring all that you have done through Jesus Christ
We pray that our lives might share your light
