

Call to Worship – Easter – the Earth is Shaking

(from Matthew 28:1-10)

Leader: The earth is shaking.

People: Are angels descending?

Leader: The tomb is before us.

People: Is the stone rolling back?

Leader: It's bright as lightening,
blinding as the sun reflecting off of snow.

People: Of course we are afraid.

Leader: But we need not tremble.

People: We need not become like the dead.

Leader: Because the tomb is empty
and we are called

People: first to worship

Leader: then to go with joy

People: and tell the good news.
