

# Prayer – In the Valley

*A Prayer from the Valley*

God,  
Death is all around us.

Of course death is not new,  
but we feel it in new and difficult ways right now.

Breathe the breath of your Spirit  
Into the dry places of our lives,  
Into the wastelands of our hearts.

Breathe and fill us  
With your love,  
Your grace,  
Your purpose,  
Your Life.

Amen.
