

Song – God Go with You (Lyrics)

Let the joy of God go with you,
casting a light on your way,
radiant beams from his warmth surround you
each and ev'ry day.

Let the Spirit of God sustain you,
sheltered beneath his own wings,
living streams, holy dreams continue,
manna that he brings.

May God's face shine upon your path,
be a light for each step.
May you know God's boundless love
as you take each breath.

Let our Lord of peace embrace you,
keeping you close all the while,
grace and mercy and love flow through you,
now and for all time.
