

Here in the Arms of Our Lord

Words and music by Phil Campbell-Enns

G Bm CAPO 5
Come all ye sinners, forgiveness awaits,
C G
Here in the arms of our Lord
C G
Lay down your burdens, your guilt and your shame
Am7 D/F# G
Before the One we adore

Come who are lonely and yearn to belong
Here in the arms of our Lord
Love that completes you is offered to all
A gift from Whom we adore

Weak and downtrodden, find strength for your day
Here in the arms of our Lord
Peace beyond measure, relief from your pain
Are sent from Whom we adore

All who have breath lend your voice to the song
Here in the arms of our Lord
Glory and honour can only belong
To God, the One we adore
