Lord of the Sabbath before You we bow  
F/A                    C/E                    F                    G  
Holy and awesome in love and pow'r  
C                    G/B                    F                    C  
You, our Creator, our King and our Lord  
F                    G                    C  
You, the One we adore  
                                 Am   Am7/G                    F                    C  
                                 We sing ho - ly,        we sing ho - ly  
C                    G/B                    F                    C  
You, our Creator, our King and our Lord  
F                    G                    C  
You, the One we adore

Lord of forgiveness, of grace still unknown  
Mercy and justice flow from Your throne  
In Your good time You make everything right  
And turn our darkness to light

                                 We need mer - cy, we need mer - cy  
In Your good time You make everything right  
And turn our darkness to light

Lord of each blessing, our Great Three in One  
Spirit and Father, Jesus the Son  
Make us a people who faithfully see  
The people You made us to be

                                 Send Your Spi - rit, send Your Spi - rit  
Make us a people who faithfully see  
The people You made us to be
