

# Song – World of Mystery (Lyrics)

Well, I've been walking in a world gone wrong  
with a heavy heart and a sad, sad song.  
All around us there is pain to feel;  
our children struggle and the world won't heal.

Born into a world of mystery,  
filled with laughter, beauty, and pain,  
sometimes a stranger and sometimes a friend  
awakens hope in me again.

Oppression spreads like a cruel disease,  
turning neighbors into enemies.  
Homeless people sleeping right outside —  
seems my arms are only just so wide.

The earth keeps turning and the tide comes in;  
seeds still travel on the rustling wind.  
Like the soft sun shining on my face,  
I breathe in kindness, love, and grace.
