Visio Divina – Joy in God’s Presence

Psalm 16:11b

The presence of God is like an early morning mist and within that appears the joyful colour of the poinsettia tree.

Len Rempel invites us to 'see with our own heart' using the practice of Visio Divina, a personal reflective exercise with image and scripture. You may use these photos and biblical selections as your devotional guide, as an encouragement note for a friend, or as an example of a practice you might engage with your own camera and Bible. With the image, or with a camera, come with your eyes and heart open. Rest. Explore. Perceive. Let creation and scripture encourage, inform, surprise, and inspire you.
