

Prayer - A Day of Celebration

Easter

I awaken from sleep
to a day of celebration.
In the pre-dawn birds are singing
and so is my spirit.
Buds are swelling,
and so is my heart.
Roots are deepening,
and so is my faith.
Flowers are blossoming,
And so is my joy.
The sun is rising,
and so is my hope.

Wild Christ, alive among us,
on this resurrection day.
May we follow the lead of all creation
in praise and celebration.
May we, too, trust
in the promise of new life.
May we, too, live each day fully,
our lives a testament to your living presence
shining in the world. Amen.
